PET of the **WEEK**

Meet **APEX**

Hi there! My name is Apex, and I'm a charming pit bull mix at 68.6 pounds! I can't begin to express how much I adore playing ball. It's like a burst of pure joy that surges through me whenever I see that spherical object being launched into the air. Just give it a good throw, and watch me go! One of my absolute favorite things is retrieving the ball. I have this natural instinct to chase after it with all my might. And guess what? I'm really good at it! I'll sprint as fast as my powerful legs can carry me, snatching that ball with a sense of triumph, and dashing back to you. I can't resist the thrill of the chase and the satisfaction of bringing it back to you, ready for another throw. I must admit, I can get a bit vocal at times. But don't let that intimidate you! It's just my way of communicating and expressing myself. I have a big voice that might sound a little imposing, but deep down, I'm just a big baby. I have a heart full of love and a playful spirit that's always ready to have a good time.
