IV SEDATION

Dr. Mark Garner

Have you had a bad experience at the dentist?

Are you stressed and anxious just thinking about making an appointment?

Have you put up with dental pain because you were afraid?

If so, Dr. Mark Garner can help. Dr. Mark and the team at Orchard Meadows Family Dental & Denture Clinic focus on **Stress Free Dentistry**. He knows that some people are afraid of the dentist, so they stop going. When they do finally come in, they need a lot of work. With IV sedation dentistry, it's easy to have years' worth of damage repaired in just a few visits.

"I swear it - I have had more painful manicures!"
