PET of the **WEEK**

Meet **SALENA**

Meet Salena! Salena or as her foster mom called her 'mother moon' was found with her babies living in a boat back in September, and though it took a while she is finally ready to find her own forever home! Salena is super sweet and loves to cuddle and will happily ride on your shoulder if you let her while doing virtually anything- from deep cleaning to eating, as long as you're willing to share your food of course. She gets along with other cats and dogs, though she may need time to warm up with new people and tends to show more fear towards men than women.
